## BUHUNG LAMPU! TEKNOLOGI!

How long will it take to get to the  
 moon? Will it be too slow?  
 There are many reasons why  
 it will take a long time. The first  
 is that the Earth is very far  
 from the Moon. The second  
 is that the Moon is very far  
 from the Earth. The third  
 is that the Moon is very far  
 from the Earth. The fourth  
 is that the Moon is very far  
 from the Earth.

## JONG PIKU LAM!

I think it will take a long time  
 because it is so far away.  
 It will take many years to get  
 to the Moon. It will take  
 many years to get to the  
 Moon. It will take many  
 years to get to the Moon.  
 It will take many years to  
 get to the Moon. It will  
 take many years to get to  
 the Moon. It will take  
 many years to get to the  
 Moon. It will take many  
 years to get to the Moon.

17:32-34 **They were just as excited as ever.**

Explosives hit the harbor, causing ships, cargo boats, and buildings to burst into flames. Many more Jews than ever fled to the Temple, but they were not prepared for what was to come.

Matthew understood people who had seen

Jesus. But everyone else  
was still looking for miracles.

How did you know what he  
was saying? Can you

Jesus' message was  
not very strange...

Explosives were just

From the mountains he called  
a flock for them from Judaea.  
Without being paid they went  
because they believed that  
John the Baptist had said  
that Jesus was the Messiah.  
So they followed him because  
they were looking for the  
Messiah who was to come.

Jesus called for people from Judaea  
because they believed that  
John the Baptist had said  
that Jesus was the Messiah.

And a number of other Jews that  
were coming from Egypt and  
Syria were also there.

So Jesus began to teach them  
about the Kingdom of God.  
He said that the Kingdom  
of God was near.

Without ever being paid  
they followed him because  
they believed that John the  
Baptist had said that Jesus  
was the Messiah.  
So they followed him.

Wise men decided to make their journey along the road through the desert.

They had no money, so they had to travel on foot.

They were very tired and hungry, but they kept going.

They had to travel for many days, and they were very tired and hungry.

They had to travel for many days, and they were very tired and hungry.

They were very tired and hungry, but they kept going.

They were very tired and hungry, but they kept going.

They were very tired and hungry, but they kept going.

BERAKHIR

Jesus got into a boat and went across the lake. He said that the Jews should not come to him and get hurt, but that they should come to him and get life. He said that the Jews should not come to him and get hurt, but that they should come to him and get life.

Prince, walking out through Jordan?

What do you think about  
the man's teachings?

Maybe Prince's teachings  
are different.

How different are the two groups?

Teaching Jesus' or not?

Jesus' teaching is about what the  
Kingdom of God is like. Jesus' teaching is  
not about how to get into the  
Kingdom of God. Jesus' teaching is  
about how to live.

What did you see when you were about  
to enter the Kingdom of God?

When the King of the Kingdom  
of God is here, we will  
see the Kingdom of God.  
Jesus' teaching is about  
how to live in the Kingdom  
of God.

## JEWEL MESSAGE

Waka is the Maori word for song and tells the story of how our language is identified in our hearts. When a heart is full of love, happiness and joy then the full feeling can be written, printed and written into the language from our hearts. This is how we can share thoughts and feelings and tell the world to think together, working and living together with the world. Now I think Maori words are being used to tell the world to think together.
