JESUS MESSIAH This is the true story of Jesus Messiah. He lived in Israel about 2000 years ago. Everyone who met Him was astonished. Nobody had ever done what He did. Nobody had ever said the things He said. Miracles kept occurring where Jesus was. And He brought joy and happiness to all who cared to listen to Him. Yet suddenly it came to an end. His enemies had Him executed. But that was not the end. Read for yourself how it happened and see how the story of Jesus Messiah continues!
